

# SURF™

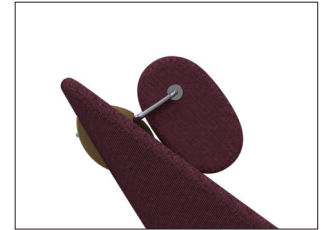

## LOUNGE CHAIR

SURF gives you the perfect resting position. At the same time you can be active on the internet, read or just let yourself be entertained online. Exactly what you deserve after a long day at work.

## ADJUSTABLE HEADREST

The headrest is adjustable in three steps. For even more range the headrest can be flipped over. A lower position is achieved by turning the headrest fixture.

## LAPTOP TABLE

The table is equipped with an inlay which can be tilted for ergonomic positioning of a laptop or books and magazines. The table can also be used by itself or in combination with other furniture.
